INYENZI KAGAME IRASHAKA IKI I BURUNDI ?

Inyenzi nkuru, Major KAGAME imaze iminsi isirisimba i Bujumbura. Agenda abeshya amahanga ko yaje kubonana n'abategesi b'i Burundi ngo bakomeze bafashe abanyarwanda kugera k

Abahutu bamaze gufata ubutegets i Burundi, byababaje abatutsi benshi. Ariko cyane cyane Inyenzi-Nkotanyi. Kandi ni ibintu byumvikana. U Burundi kuva hambere bwari indiri y'inyenzi. Abatutsi b'abanyarwanda bahungiyeye i Burundi, bakomeje gutera inkunga ikomeye inyenzi baziha amafaranga yo kugura intwari, banohereza urubyiruko rwabo kuzirwanirira.

Ubwo bugambanyi KANGURA yakomeje kubwamagana. Nk'aho hagize igikorwa, guverinoma ya Nsengiyaremye na Buyoya bakwiza ibihuha ngo icyo kinyamakuru kiradurumbanya umubano "mwiza" uranga u Rwanda n'u Burundi. Inkotanyi zacungiraga cyane ku butegetsi bwa BUYOYA. Ikibigaragaza ni amagambo KAGAME yavuze igihe u Burundi hari amatora y'Umukuru w'Igihugu.

KAGAME yivugiyeye ubwe ko BUYOYA natsinda amatore, nawe azahita afata u Rwanda. None ntibigishobotse ! Buyoya n'abatutsi bene wabo batsinzwe amatora y'umukuru w'igihugu n'ay'abadepite. Bityo umugambi wa Kagame n'Inyenzi bene wabo uburiramo.

ARUSHA - KINIHIRA :

AMASEZERANO SI AMAHORO.

Vubaha i KINIHIRA muri Perefegitura ya BYUMBA nibwo Guverinoma y'u Rwanda na FPR - INKOTANYI bumvikanye ku bibazo byari bisigaye mu byari byarananiranye mu mishikirano yari imaze iminsi ibera ARUSHA. icyo kibazo ni icyerekeye ingabo. Impande zombi zimaze kumvikana kuri icyo kibazo, zihaye umugambi wo kuzashyira umukono ku masezerano yose. Uwo

muhango ukaba uteganiywe kubera ARUSHA ejubundi kuwa gatatu tariki enye Kamena 1993.

Abanyarwanda bakaba bateze byinshi kuri ayo masezerano. Kandi ni mu gihe. Ntawe udakeneye amahoro, ari abanyarwanda, ari inkotanyi, ari abahutu ari abatutsi bose barifuza ko intambara yarangira. Twizere ko amasezerano azashyirwa umukono ARUSHA atazaba ari

"balinga". Kuko gushyira umukono ku masezerano, bidasobanura kugarura amahoro.

Intambara irasenyaye ntabwo yubaka. Kuyishoza biroroha, kuyihagarika bikaba ikindi kibazo. Amasezerano nta gihe atasinywe ariko akenshi ntagire icyo ageraho. Ingero ni nyinshi. Ngo ijya kurisha ihera ku rugo, turebe muri Afurika yacu.

Muri UGANDA, igihugu duhana imbibi, inyeshyamba MUSEVENI yafashe ubutegetsi guverinoma ya Uganda yitegura gushyira umukono ku "masezerano y'amahoro". Imishyikirano ikaba yaraberaga i NAYIROBI.

Muri LIBERIYA, guverinoma y'agateganyo iyobowe na Amos SAWYER n'ikigomeke Charles TAYLOR bamaze gusinya inshuro nyinshi ariko ntibyabujije intambara gukomeza.

Muri ANGOLA, guverinoma ya Dos SANTOS yasinye na Jonas SAVIMBI, amatora araba. SAVIMBI atsinzwe asubira mu ishyamba none intambara iraca ibintu.

Muri MOZAMBIKE naho ni uko. Guverinoma y'i Maputo isinya buri muni n'ishyamba RENAMO "amasezerano y'amahoro" ariko ntabuze intambara gukomeza.

Muri SUDANI, muri SOMALIYA, n'ahandi intambara ziracyaca ibintu kandi "amasezerano y'amahoro" yarashyizweho umukono.

Iyo twanditse ibi, si uguca abanyarwanda intege. Ni ukugirango abanyarwanda be kugira cya kizere kiraza amasinde. Tubigiriye urukundo tugomba gukunda igihugu cyacu. Ubwo na Paul KAGAME yaboneraho akizeza abanyarwanda ko atagikomeje wa mugambi we wo gusubira mu ishyamba amatora aramutse yerekanye

icyo abaturage batekereza ku bantu be !

Ntidushobora kurondora ingorane zose ndetse n'imvururu amasezerano y'ARUSHA azakurura. Ariko ni ngombwa kureba iz'ingenzi.

Ayo mesezerano aramutse ashyizwe mu bikorwa, azahindura u Rwanda rwari rusanze ari igihugu cy'ibibazo igihumbi, igihugu cy'ibibazo miliyoni. Ibibazo bibiri ni byo ngorabahizi : ikibazo cy'ingabo n'ikibazo cy'impunzi. Uretse ko hari n'ibindi.

Ikibazo cy'Ingabo.

Icyo kibazo ni nacyo kirushije ibindi gukara. Abagiyeye Arusha cyarabananiye, bagomba kucyimirira i Kinihira. Mu masezerano bavugaga ko ingabo z'u Rwanda zigomba guhuzwa n'iza FPR bagakora umutwe umwe. Abasirikari n'abajandarume bagomba kuba ibihumbi 19 (abasirikari ibihumbi 13, abajandarume ibihumbi 6). Muri abo bose, FPR ikagira 40 %, Leta y'u Rwanda ikagira 60 %. Ni ukuvugaga ko hari abasirikari bagomba gutaha. Muri iki gihe, abasirikari b'u Rwanda n'abajandarume babarirwa mu bihumbi bigera kuri 40.

Bizaba ngombwa rero ko benshi birukanwa, bagashoka ibishanga wa mugani wa Nsengiyaremye. FPR yo rero nta kibazo kuko ifite abasirikari bake cyane ahubwo igomba kongera abandi kugira ngo umubare wa 40 % wuzure. Abo

basirikari bazataha rero bazateza ibibazo bitoroshye ku buryo nta mahwemo guverinoma itaha izagira.

Ikindi kibazo gishobora gukurura imyiryanu mu ngabo cyerekeye amagarade. Mu masezerano bavugaga ko buri ruhande rufite uburenganzira bwo gutanga amagarade ku ngabo zarwo uko rubyumva kandi uwo ruzatanga wese agomba kwemerwa. Ku ngabo z'u Rwanda ho nta kibazo kuko uburyo amagarade atangwa burazwi. Hari amategeko abigenga. Ku ruhande rero rw'inkotanyi, hari urujijo kuko uburyo batanga amagarade ari ibanga ryabo. ku buryo nk'umu "caporal" watorotse ingabo z'u Rwanda ejo bundi akajya mu nkotanyi ashobora kugaruka ari Koroneli.

Ikibazo cy'Impunzi.

Inyenzi zateye zitwaje ikibazo cy'impunzi ngo ubutegetsi bwakomeje kudebekera. Nyamara byaje kugaragara ko icyo kibazo inyenzi zakitwaje kugira ngo amahanga ashobore kuzumva. Dore ko ikibazo cy'impunzi z'abanyarwanda nta na rimwe kitigeze kitabwaho.

Ari Perezida KAYIBANDA, ari HABYARIMANA, bese wa mugani bakoze uko bashoboye ngo icyo kibazo kirangire. Ariko impunzi z'abatutsi ziranangira. Muzabaze KIGELI V Ndahindurwa ko guverinoma ya Kayibanda y'icyo gihe itamusabye ubwe kugaruka

ngo yifatanye n'abandi banyarwanda kubaka igihugu akanangira. Ngo keretse asubiye ku ngoma. Twibutse gusa ko iyo impunzi zifashe intwari zigatera igihugu ziturukamo nk'uko inyenzi zabigenje, zamburwa uburenganzira bwo kongera kwitwa impunzi. icyo gihe zihinduka inyeshyamba.

Umutwe Inkotanyi zatetse warahiye. Amahanga yarazumvise maze ikibazo cy'impunzi z'abatutsi zanze gutaha gishyirwa mu bibazo bikomeye bigomba gusuzumwa ARUSHA Izo mpunzi (niba ariko twazita) zikaba zigomba gutaha mu gihe nta n'uzi umubare wazo uko ungana. Inyenzi zivuga ko abatutsi bari hanze bageze kuri miliyoni abyiri. Mu gihe imibare nyayo yemeza ko zitarenze ibihumbi 500. Uko izo mpunzi zangana kose zizateza ibibazo bitoroshye. Ikibazo cya mbere ni icyo kuzibonera aho ziba n'uko zizabana n'abandi baturage.

Mu masezerano y'ARUSHA bavugaga ko impunzi z'abatutsi zitagomba gutuzwa ahantu hamwe (nko muri Pariki y'Akagera). Ngo zigomba kuvangwa n'abandi baturage. Niba ari byo zigomba kwigishwa bihagije kuzabana n'abo zidahuje ubwoko nabo, nta gasuzuguro. Ntizizaze zibaza ibikingi bya ba sekuru.

Ikindi kitumvikana muri ariya masezerano y'Arusha, ni uko usanga bakundwakaza impunzi z'abatutsi kurusha abavanywe mu byabo n'intambara zashoje, bakomeje kwangara hirya no hino mu gihugu. Impunzi z'abatutsi zizatuma akazi gakomeza kuba ingume. Naho ureke ibyo babeshya ngo sifite amafaranga. Niba hari n'abayafite, impunzi zose siko ziyafite.

Ikindi kibazo batajya bahingutsa kandi kitoroshye ni icyo kumenya uzishyura imyenda inyenzi zafashe hirya no hino zigura intwari

zo gutera u Rwanda. Ubwo kandi ari nako zizeza abazikopa ko zizafata igihugu zikishyura nta shyiti. None byarananiranye. Abazishyura iyo myenda, barahari. Ni Guverinoma y'u Rwanda n'abanyarwanda. None byagenda gute ?

Gushyira umukono ku "masezerano y'amahoro" ni intambwe igana amahoro. Si amahoro kuko aracyari kure. Kugirango amahoro agaruke mu Rwanda, bizaturuka ku "bwizerane" bw'abahutu n'abatutsi. Ubwo "bwizerane" rero nti bwari bwagerwaho kuko bagikekana amababa. Ntabwo bari bashirana amakenga.

Bitabaye ibyo, umututsi amenye aho uburenganzira bwe bugarukira, amenye umwanya umukwiye. Umuhutu nawe yiyubahe, ye kuyoborwa n'inda nini gusa. Dore ko ari naho agasuzuguro gaturuka.
